2. Measures taken to complete the syllabus of courses and programs.	MES College has taken special measures to restructure the teaching and learning process by incorporating blended learning practices. Different technological tools, such as institutional learning management systems (LMSs), Moodle, Google Classroom, Zoom, and other various learning and assessment aids, are used to support teaching and learning practices. Blended learning practices also incorporated with the use of Open Education Resources (OERs). The college has registered center for Coursera for Campus which provide world-class, job-relevant online learning for students, faculty, and staff members.

Several software's and software based applications such as OBS, Teach mint, Virtual lab, Screen Cast O Matic, Kinemaster, Pagemaker, MS Office, MS EXCEL, Active presenter, photoshop, Canva, You Tube studio, Avogardo etc, for digital content preparation, study material preparation, online classroom management and for the effective academic delivery.

Almost all teachers prepare and share digital study materials and shared to students through goggle for education within the institutional domain. Teachers also use Moodle platform for content sharing, class room management and evaluation. College also procured an institutional LMS in which teachers are getting trained for the effective content management and evaluation to improve the impact of the blended learning. |
