After completion of the BA/ B Sc/B Com Degree program, students will be able to

PO1.Critical Thinking: make more informed, rational decisions by deciphering the assumptions that frame their thoughts and actions; measure the degree to which these assumptions are accurate and valid, and perceive their ideas and initiatives (intellectual, organizational, and personal) from different perspectives.

PO2.Effective Communication: Speak, read, write and listen clearly in person and through electronic media in English and in one Indian language, and make meaning of the world by connecting people, ideas, books, media, and technology.

PO3. Social Interaction: Elicit views of others, mediate disagreements and help reach conclusions in group settings.

PO4. Effective Citizenship: demonstrate committed social concern and equity centred national development, and the ability to act with an informed awareness of issues and participate in civic life through volunteering.

PO5. Ethics: Recognize distinct value systems including one's own, understand the moral dimensions of their decisions, and accept responsibility for them.

PO6. Environment and Sustainability: Strengthen environmental consciousness and apply the concepts of sustainable development to meet sustainability in a global context.

PO 7. Project work: Apply the knowledge and understanding in the specialization to one's own work, as a member or leader in a team, to manage projects, and in multidisciplinary environments.

PO8. Self-directed and Life-long Learning: Acquire the ability to engage in independent and life-long learning in the broadest context of socio-technological changes.
